About ChilliQ

connecting leaders + ideas

We are a leading creator of conferences and summits who aim to bring together great minds with avid learners amongst the thought-inspiring atmosphere of leading venues.

Chilli IQ has many years of collective experience in the area of creating and developing innovative conferences and summits for the changing business environment. This is not though what differentiates us from the crowd, what makes us unique is our modus operandi. We value quality and strive to ensure that every aspect of our events reflects this – from the choice of speakers, the venue and the genuine attention to detail.

Our main objective is to lead the field in the area of knowledge delivery and as this is a fluid process we are constantly seeking new avenues and evolving to make sure we never just settle. We ensure that all who partake in the Chilli IQ conference experience – whether it be as a delegate, a speaker, a sponsor or an endorsing association – maximise their investment and attain a higher level of understanding and awareness of the chosen business theme.

Lawtech Origins

It was way back in 2006 when Chilli IQ first developed the Lawtech Summit as we saw the need for a platform for the evolving legal technology market in Australia. It was new, fresh and created a buzz amongst the growing legal technology crowd but furthermore it created a community. It brought together legal IT Managers and everyone involved with the technology of a law firm in one place – for the first time in Australia.

Fast forward to now and the legal technology community has grown and thrived. Through the last 16 years the Lawtech Summit has seen the evolution of legal technology managers go from just the IT guys to becoming an important and essential part of the business strategy of law firms today.

Due to the importance of the legal technology market globally we have broadened to other countries like NZ, Asia and the Middle East, bringing the same quality and knowledge of the market across the globe.

We are proud to be an integral part of this ever evolving community and continue to offer a stage for thought leaders and ground breakers of the legal technology field.

Advisory Panel

In order to best represent the interests and needs of the legal technology profession, we have assembled some of the most prominent legal leaders and thinkers to form the **2025 Advisory Panel** that assists with the direction and planning of topics for the 3 Lawtech Forum NZ.

Our esteemed panelists include:

2025 ADVISORY PANEL

Natasha Wilson
Head of IT
DLA Piper New Zealand

Adam Gower
Chief Digital Technology Officer
Buddle Findlay

Jon Calder
Chief Executive Officer
Tomkins Wake
